DESCRIPTION, PROGRAM OBJECTIVES, ETC.

AN ASSESSMENT OF INTERNATIONAL COMMUNISM'S CURRENT OBJECTIVES AND TACTICS

This study, based in part on information not previously available, is regarded as a significant, objective analysis of communism's goals and tactics in the year ahead. It represents the first of what is hoped will be a continuing series of probing studies of topical problems in the field of communist affairs. It incorporates the results of considerable work and thought on this subject by U.S. government research activities.

SUGGESTED ATTRIBUTION, USE AND TARGET AUDIENCE

FOR UNATTRIBUTED USE ONLY. Should be valuable to those follow developments in the communist movement. Suggested placement:

1. To interested editors for background.
2. To opinion moulders as appropriate.
3. To intellectuals with special interest in subject.
